BOOK SYNOPSIS

E. Bruce Goldsteins SENSATION AND PERCEPTION has helped a myriad of students understand perceptual research and how the results of this research relate to everyday experience. A key strength of this text has always been its ability to illustrate concepts through examples and visuals. Dr. Goldstein and new co-author Dr. James Brockmole take students on an intriguing journey through the senses with both clarity and thoroughness, combining their extensive classroom experience and the most innovative research to create a visual, colorful text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
