BOOK SYNOPSIS

Now in a mass-market paperback premium edition—the instant #1 New York Times bestseller! Stephen King delivers an “outstanding” (USA TODAY) collection of stories, featuring revelatory autobiographical comments on when, why, and how he came to write (or rewrite) each story. “I’ve made some things for you, Constant Reader. ...Feel free to examine them, but please be careful. The best of them have teeth.” Since *Nightshift*, published thirty-five years ago, Stephen King has dazzled an entire generation of readers with his genius as a prominent writer of short fiction. Now in his latest collection, he once again assembles a generous array of unforgettable, tantalizing tales—including those that, until recently, have never been published in a book (such as the story “Cookie Jar,” which is exclusive to this edition). There are thrilling connections between these works—themes of mortality, the afterlife, guilt, and what we would do differently if we could see into the future or correct the mistakes of the past. Magnificent, eerie, and utterly compelling, *The Bazaar of Bad Dreams* is one of Stephen King’s finest gifts to readers everywhere—a master storyteller at his very best.

THE BAZAAR OF BAD DREAMS STORIES - Are you looking for Ebook The Bazaar Of Bad Dreams Stories? You will be glad to know that right now The Bazaar Of Bad Dreams Stories is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.
