## BOOK SYNOPSIS

Seven days. One girl. No second chances. Madeline Hart is a rising star in British government: beautiful, intelligent, driven to succeed by an impoverished childhood. But she also has a dark secret. She is the lover of the prime minister, Jonathan Lancaster. When she disappears on the island of Corsica, it's clear her kidnappers know about the affair and intend to make the PM pay dearly for his sins. Fearful of scandal that will destroy his career, Lancaster decides to handle the matter privately and not involve the police. Enter Gabriel Allon—assassin, art restorer and spy—who must find Madeline within seven days before she is executed. With the clock ticking, Allon is thrust into a deadly game of shadows in which nothing is what it seems—and where the only thing more dangerous than his enemies is the truth. Gabriel's mission takes him from the criminal underworld of Marseilles, to the stately corridors of power in London—and, finally, to a pulse-pounding climax in Moscow, a city of secrets and violence where there is a long list of men who want Gabriel dead .
