BOOK SYNOPSIS

The Options Trading Bible was created for one reason and one reason only, to help traders become consistently profitable in trading with minimal downside risk. This book starts from the basics of options and goes into critical and complex details that most books leave out. Don't worry, this book is written so any level of trader or investor can understand. It is filled with charts, graphs and real life examples to help you grasp the topics and different types of options. You will have the confidence to go in the market and make live profitable trades. Once you are done reading this book you will be able to read an options chain, understand the many different types of options and options combinations and have the supreme confidence to trade and make consistent profits month after month. What are you waiting for ? There is money literally sitting and waiting to be picked up by traders who know what to look for. Grab your copy today and begin your journey towards becoming a profitable options trader.
