BOOK SYNOPSIS

SuperJam is a delicious range of jams and marmalades created by young entrepreneur Fraser Doherty. They're super because they're made with superfruits, such as cranberries and blueberries, and fruit juice rather than sugar, meaning they're healthier than your average pot of jam. Fraser's cookbook is a juicy celebration of all things jammy. As well as being packed full of recipes for jams, marmalades, chutneys and jellies, the book offers more unusual ideas for spreads, such as Banana and Rum Curd, Dulce de Leche and Chilli Jam. And if for any reason you do have any leftover pots of preserves, it also contains over 25 ideas for how to turn your creations into irresistible puddings, from Bakewell Tart and Orange and Passion Fruit Trifle to Banoffee Cupcakes and Strawberry and White Chocolate Mousse. Exquisitely designed and lavishly photographed, The SuperJam Cookbook will be a lovely gift or simply the perfect way to indulge your love of one of life's greatest comfort foods.
